Title: AB 361-Resolution Authorizing Teleconference Meetings

Recommendation: Pass a Resolution authorizing making findings and ordering the use of teleconference meetings of the Board of Directors due to COVID-19, pursuant to the requirements of Assembly Bill 361; and Direct Staff to return within 30 days with a new resolution addressing the need to continue holding teleconference meetings consistent with the requirements of Assembly Bill 361.

Contact: Steven Salyer, Chief Executive Officer

Executive Summary

As a result of the continuing impacts of the COVID-19 pandemic, many local agencies have been holding teleconference meetings under the modified rules authorized under Assembly Bill 361. This item asks the Board to adopt a resolution ordering the use of teleconference meetings under the modified rules. This will allow Hospital Board members to appear at meetings remotely if they choose to do so.

Analysis

Many local legislative bodies have recognized that COVID-19 presents a continuing threat to the Santa Cruz County community and that there is an important governmental interest in protecting the health, safety, and welfare of those who participate in public meetings. Requiring all members of legislative bodies to appear in-person at meetings presents greater risk to the health and safety of meeting participants, including reduced social distancing among people of different communities, increased exposure for those who are immunocompromised or unvaccinated, and challenges associated with fully ascertaining and ensuring compliance with vaccination, face coverings, and other safety measures at such public meetings.

Pursuant to AB 361, a legislative body can hold teleconference meetings under the modified AB 361 teleconferencing rules if a state of emergency remains active, or local officials have recommended measures to promote social distancing, as long as the legislative body reconsiders the circumstances of the state of emergency and determines either that the state of emergency continues to directly impact the ability of the members to meet safely in person or that local officials continue to recommend measures to promote social distancing.

The Governor's emergency proclamation has not been lifted and Dr. Newel's social distancing recommendation remains in effect. The dangers presented by returning to non-emergency meeting protocols remain. Staff recommends that the Board adopt the draft resolution accompanying this item, which contains the findings necessary to hold teleconference meetings under the modified Brown Act rules.

WHEREAS, on March 4, 2020, Governor Newsom issued a Proclamation of State of Emergency in response to the COVID-19 pandemic pursuant to California Government Code section 8550 et seq., which remains in effect; and

WHEREAS, on March 17, 2020, Governor Newsom issued Executive Order N-29-20 that suspended the teleconferencing rules set forth in the California Open Meeting law, known as the Ralph M. Brown Act, and codified in California Government Code section 54950 et seq., provided that certain requirements were met and followed; and

WHEREAS, on June 11, 2021, Governor Newsom issued Executive Order N-08-21 which further extended the suspension of the teleconferencing rules set forth in the Brown Act and clarified that the provisions issued in N-29-20 would remain in effect through September 30, 2021; and

WHEREAS, on September 16, 2021, Governor Newsom signed Assembly Bill 361 ("AB 361"), which amended Government Code section 54953 to permit legislative bodies subject to the Brown Act to continue to meet under modified teleconferencing rules provided that they comply with specific requirements set forth in the statute; and

WHEREAS, pursuant to AB 361, a legislative body may hold an initial teleconference meeting under the modified teleconferencing rules during a proclaimed state of emergency where local officials have imposed or recommended measures to promote social distancing; and

WHEREAS, on September 30, 2021, Santa Cruz County Public Health Officer Dr. Gail Newel strongly recommended that legislative bodies in Santa Cruz County continue to engage in physical/social distancing by meeting via teleconference as allowed by AB 361 and confirmed that she will regularly review and reconsider this recommendation and notify the public when it is no longer recommended; and

WHEREAS, after its initial AB 361 teleconference meeting, a legislative body can continue to hold such teleconference meetings if a state of emergency remains active, or local officials have recommended measures to promote social distancing, if the legislative body has reconsidered the circumstances of the state of emergency and determined either that the state of emergency continues to directly impact the ability of the members to meet safely in person or that local officials continue to recommend measures to promote social distancing; and

WHEREAS, the findings set forth in the paragraph immediately above must be made within 30 days of the date the legislative body first held a teleconferenced meeting pursuant to AB 361, and every 30 days thereafter, for as long as the legislative body wishes to hold such teleconference meetings; and

WHEREAS, the Hospital has an important governmental interest in protecting the health, safety, and welfare of those who participate in meetings of the Hospital Board of Directors; and

WHEREAS, this Board finds that there is a continuing threat of COVID-19 to the community and finds that requiring all Board members to appear in-person at meetings presents greater risk to the health and safety of meeting participants stemming from reduced social distancing among people of different communities, increased exposure for those who are immunocompromised or unvaccinated, and challenges associated with fully ascertaining and ensuring compliance with vaccination, face coverings, and other safety measures at such public meetings; and

WHEREAS, this Board meets in-person in a facility where other functions take place, such that increasing the number of people present may impair the safety of participants and members of the public; and

WHEREAS, as required by AB 361, this Board has considered the circumstances of the current state of emergency and finds that the COVID-19 pandemic continues to directly impact the ability of Board members to meet safely in person and further finds that the Santa Cruz County Public Health Officer continues to recommend measures to promote social distancing; and

WHEREAS, in the interest of public health and safety, due to the emergency caused by the spread of COVID-19 the Board of Directors deems it necessary to utilize the modified teleconferencing rules set forth in AB 361.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE PAJARO VALLEY HEALTH CARE DISTRICT HEREBY RESOLVES AND ORDERS AS FOLLOWS:

Section 1. The foregoing recitals are adopted as findings of the Board of Directors as set forth within the body of this Resolution.

Section 2. Effective immediately, for the next 30 days the Board of Directors will meet using the modified teleconference rules authorized under AB 361 and Government Code section 54953(e)(3).

Section 3. Staff is directed to return no later than thirty (30) days after the adoption of this Resolution with an item requesting the Board to reconsider the circumstances of the COVID-19 state of emergency and, if necessary, consider adoption of a subsequent Resolution to continue using the modified teleconference rules for meetings in accordance with Government Code section 54953(e)(3).

LAFCO STATEMENT OF INTEREST- Rachél Lather

As the Senior Civil Engineer for Sanitation Engineering at the County of Santa Cruz, I have worked with LAFCO staff to resolve many issues regarding sewer districts and sewer service areas. I first worked with LAFCO to legalize providing CEMEX with extraterritorial water and sewer services in Davenport, California. I also worked with LAFCO to extend the boundaries of the Rolling Woods CSA sewer service to include Pasatiempo and the Graham Hill corridor. This experience helped me understand the importance of this agency.

I have been a LAFCO commissioner since 2019 and have learned more about the agency and its important role in California. I was chosen to be the Vice-Chair of the Commission in 2021/22 and the Chair of the Commission in 2022/23. I have grown from those years of experience in a leadership role and believe that I was able to be effective as a commissioner. I was recently re-elected to be a director for Soquel Creek Water District and the District Board has selected me to apply for being the LAFCO Commissioner to represent Special Districts.

I believe that I will continue to be a pragmatic and effective commissioner if I am elected to continue to be a part of LAFCO for 2023-2027 and would be honored to be selected as the representative for Special Districts.
